Olivia is wearing a virtually
invisible Moxi hearing instrument

The new Moxi™ may be tiny, but it delivers enormous sound quality and comfort

The new Moxi hearing aid provides high-fidelity, natural sound and it's extremely comfortable. From intimate conversations to music to laughter, Moxi brings back the sounds you've been missing, delivering clear, effortless listening automatically.

Shown actual size

Moxi™
unitron.

Moxi's advanced technologies work together to highlight the quality sounds in your life:

- Improves speech in noise
- Fully automatic
- Whistle-free technology eliminates embarrassing and annoying whistling or buzzing
- Allows you to hear better on the phone
- Easily works with other devices' wireless technology like cell phones, Bluetooth® devices, MP3 players and wireless TV listening systems

Binaural Phone feature ensures you can hear your caller's voice clearly in both ears
