

Are you missing out on the sounds of life?

Learn how we can help you regain your favorite sounds.

NEW! Be one of the first to experience Quantum™ by Unitron

From the sounds and conversations you want to hear to your favorite voices, joyous laughter and memorable music...Quantum hearing aids by Unitron do the work for you. Automatically. Naturally. All you have to do is listen.

The Quantum advantage:

- Improves speech in noise
- Fully automatic
- Whistle-free technology eliminates annoying whistling
- Allows you to hear better on the phone
- Easily works with other devices' wireless technology like cell phones and MP3 players

**Quantum does the work.
All you have to do is listen.**

Introducing Quantum,™ a new generation of intuitive hearing aids from Unitron that let you experience the sounds of everyday life the way they were meant to be heard.

Quantum's state-of-the art technology makes it easy to have intimate, clear conversations with family and friends. Its SmartFocus feature brilliantly defines speech in noise by picking up the sounds and conversations you want to hear and reducing unnecessary background noise.

Quantum is available in a variety of small, virtually invisible styles, each using state-of-the art technology that provides:

- Natural, clear and whistle-free sound – the way nature intended
- Comfortable fit
- Easy use of wireless devices like cell phones
